On behalf of the Scientific Committee of the **25th Iranian International Congress of Nuclear Medicine,** we are pleased to inform you that your abstract titled *"[Abstract Title]"* (Submission ID: [ID, if applicable]) has been accepted for **poster presentation.** Congratulations on this achievement!

1. To facilitate the e-poster presentation, please adhere to the following guidelines for submission:

E-Poster Submission Instructions

1. **Format**: Submit your poster as a **single-page PDF file** in **portrait orientation** (recommended size: A0 or 90 cm height × 70 cm width).

2. **Content**: Ensure clarity and legibility with:

   o Title, authors, and affiliations at the top.

   o Concise sections (e.g., Introduction, Methods, Results, Conclusions).

   o High-resolution graphics (min. 300 dpi).

3. **Font**: Use sans-serif fonts (e.g., Arial) with a minimum body text size of **24 pt** for readability.

4. **Deadline**: Upload your PDF e-poster via **[online submission link/email]** by **[deadline date].**

5. **Presentation:**

   o Posters will be displayed electronically during the congress.

   o A designated Q&A session may be scheduled (details to follow).

Additional Notes

- Avoid animations or embedded videos (static PDF only).

- Name your file as: **"LastName_FirstName_PosterID.pdf"** (e.g., "Smith_John_123.pdf").

  Should you have any questions, please contact us at **[contact email]**. We look forward to your participation in this exciting scientific exchange.

  Best regards,
  [Your Full Name]
  Scientific Supervisor
  25th Iranian International Congress of Nuclear Medicine
  [Congress Website URL]

Notes for Customization:

- Replace placeholders (e.g., [Abstract Title], [deadline date]) with specific details.

- Add a submission link/email for uploads.

- Include a brief line about registration if required (e.g., *"Note: Presenters must register for the congress by [date]."*).

  This template balances professionalism with clarity, ensuring authors understand expectations for international standards. Let me know if you'd like adjustments!
